

HOPEWELL HAPPENINGS

JULY 1 - JULY 8

PHASE 3 OF REOPENING IS HERE!

Virginia entered Phase 3 of Governor Northam's reopening plan today! Phase 3 increased the limit of people at social gatherings to 250, and removed the occupancy guidelines for many business sectors. Fitness facilities and swimming pools are still restricted to 75% of occupancy. Entertainment & amusement venues and youth sports are restricted to 50% of normal occupancy. For more information on the Phase 3 guidelines, please visit the Governor's [website](#).

Because Virginia has entered Phase 3 of reopening, we have decided to start distributing the Hopewell Happenings newsletter again. These newsletters will look a little different as we all adjust to our "new normal." The newsletters will feature a mix of digital and in-person events. We encourage everyone to listen to Public Health officials and continue to socially distance in public.

The Beacon Theatre

The Beacon Theatre has been monitoring the COVID-19 situation closely, and has begun to reschedule shows. Keep checking back to The Beacon website and Facebook page for updated information regarding digital and in-person shows. When new dates are announced, your tickets will be honored at the new concert date. For refund information, please contact the Beacon.
